

NORTH TEXAS GARDEN RAILROAD CLUB

Membership Information and Application Form

Membership in the NTGRC is open to anyone with an interest in large scale model railroading or garden railroad construction. Our group is informal and family oriented. There are monthly meetings, usually at the home of a member, where trains are run, discussions held and demonstrations made. The club sets up large layouts at railroad shows, children's hospitals, nursing homes, libraries and other sites upon request.

Members have a wide range of interests including:

- Locomotive modification
- Layout Planning
- Miniature Gardening
- General kit bashing
- Track Laying
- Electronics
- Detailing and Finishing
- Bridge Work
- Scratch building

Club dues are \$25 per year for family membership. Dues are payable in January. New memberships after October 31 go through December of the following year.

The club website is maintained for the members and others interested in the club. Articles for the website are welcome and encouraged as well as non-commercial For Sale and Want Ads.

Come visit our web site at www.ntgrc.org for the most current information about our club.

We hope you will come aboard and join us for Large Scale fun!

Please fill out, detach, and mail application and check (payable to N.T.G.R.C.) to:
